

# Manatee Recycles!

Dear families:

In addition to regular recycling, Manatee collects a variety of hard-to-recycle items throughout the year that we would like to bring to your attention.

Some of these items, the Terracycle items, not only help the Earth because they will be recycled but also provide points that will translate into dollars for our school. We invite you to collect Terracycle items at home and bring them to school.

Please, review the list below and start recycling them at Manatee. You can print this list and attach it to your fridge so it is always handy to you.

We at Manatee appreciate your support. Thank you!

## What We Collect at Manatee

	Front Office	Cafeteria	Collection Corner(Lobby)	Classrooms
<b>Box tops</b>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<b>Labels for Education</b>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<b>Ink Cartridges</b>	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>
